

The **NEW** Van-Jet Winter

Makes you stay safe
on winter roads.

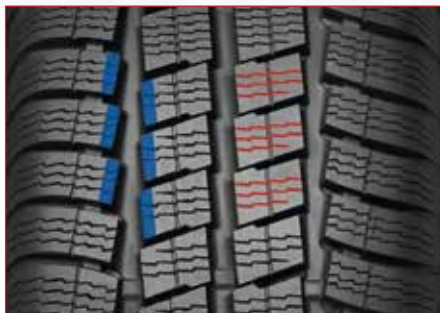

Mabor. A brand of Continental.

Van-Jet Winter

Mabor tyres come from the land of discoverers and now they are exploring the roads throughout Europe. State-of-the-art technology ensures safe driving enjoyment with a dash of Iberian passion. Mabor offers a range of great tyres to meet all requirements, even in harsh winter weather conditions.

Snow performance

► Excellent grip on snow.

Wedge-shaped grooves, slanted blocks and ideally arranged gripping edges in the profile boost traction on snow. This ensures excellent tyre grip on wintry roads and shortens the braking distance.

Wet and dry performance

► Perfect handling on wet and dry roads.

Connections in the shoulder area and wide drainage grooves in the tread ensure high profile rigidity. Snow and slush are thus better displaced, handling on dry roads optimised and the risk of aquaplaning reduced.

Sidewall protection

► Long service life.

The sturdy sidewall design, with a scuff rib reinforced by an additional layer of rubber, extends the tyre's service life.

Dimensions

195/75 R16C	107/105	R	8PR	E/C/73/2
205/75 R16C	110/108	R	8PR	E/C/73/2
215/75 R16C	113/111	R	8PR	E/C/73/2
225/75 R16C	116/114	R	8PR	E/C/73/2

195/70 R15C	104/102	R	8PR	E/C/73/2
215/70 R15C	109/107	R	8PR	E/C/73/2
225/70 R15C	112/110	R	8PR	E/C/73/2
